

THE STEERING COMMITTEE OF THE
BEDFORD-STUYVESANT COALITION ON EDUCATIONAL NEEDS AND SERVICES
WITH A COMMITTEE FROM THE
BOARD OF HIGHER EDUCATION

April 25, 1968

MEMORANDUM OF UNDERSTANDING:

As a point of departure we would like to begin with the two (2) commitments made to us at our previous meeting.

- 1. The community will exercise final approval rights in presidential selection. The community is also free to make nominations which will be accorded equal consideration.
- 2. The Presidential Selection Committee will have a majority of community representation of 7:3.

We also received highly affirmative reactions to the following:

- A. The possibility of a Baccalaureate degree granting entity--- if initially only in the form of an all CUNY institution.
- B. That while all authority rest with the Board by virtue of the State Education Law, de facto accommodations can be made which effectively result in such delegation of authority to community representatives.
