That's Right!!

Last night, 200 members [Approx.] of the Ad Hoc Committee to End Political Suppression occupied and used the facilities of this building for the purposes of sleeping, eating, Protesting and calling to your attention the fact that the five demands have not yet been met.

Will they still be there tonight?

Yesterday, at the President's Dining Hall, Joseph McMurray again succeeded in evading the questions and denying the advice of the Ad Hoc Committee, concerned faculty and students before air and press reporters. He indicated that he would again talk to these people this afternoon.

Will he be there?

And why are we here?

We are here, and have been since March 27th, to protest political suppression on this campus.

Join us to direct our President to act to end this MONTH-LONG Protest.
AFTER 5 WEEKS, THE ONLY ACTION HAS BEEN:

April 1, 3:30 AM-700 Tactical Policemen in the Social Sciences Building
