Educational Needs and Services
Room 602, Hotel Granada

Brooklyn, New York 11217

Dear Mr. Vann:

In view of the present circumstances in the quest for Community College #7, we would appreciate your postponing the Coalition meeting now scheduled for Thursday, July 31, 1969. It is further requested that you, as Chairman of the Negotiating Team, and the 14 members meet at the earliest possible date. Following such a meeting, we can then reschedule an executive session of the twenty-five Coalition members plus our legislators. Please contact either Mr. Randall M. Coppin at 697-4400, extension 533, or Mr. Charles Hale at 638-7355, so that we can arrange a time and place for such a meeting.

We shall appreciate a response by August 4, 1969.

Sincerely yours,

Concerned Members of the
Negotiating Team
