Dr. Albert H. Bowker
Chancellor
The City University of New York
535 East 80th Street
New York, New York

Dear Dr. Bowker:

Attached is a copy of the list of members of the Bedford-Stuyvesant Coalition for Community College #7.

We the undersigned representatives of the majority of these organizations listed thereon do hereby state our concern over the impasse that now prevails in the selection of a president for the college. We do not agree with the inflexible position that the Negotiating Team persists in taking.

Due to the lack of integrity in which the community meetings have been conducted, there is no other vehicle through which we can register our total disapproval. Therefore, we demand that the negotiations be resumed immediately, strengthened with representation for our majority dissident group.

Sincerely yours,
