

P.B. Spring Session 17 Apr 68 8-

Ad for student union

Dennis Left - Pres. Young Republican

our freedom being threatened on this campus

The left says everybody should do his own thing:
but they do their thing and deny us ours

Fault of faculty, admin - too much permissiveness
Appeasement won't bring peace

There should be immediate action to remove the

SDS's

Harvey Johnson, Student Senator:

One of my rights is being denied. I don't intend to

Hopes we can use this threat - Doesn't mind being "fool"
of administration in this case.

Ed Gobel, Student Senator

If we capitulate to SDS they will come up with more.

Time that the admin. decided to defend the rights of
the majority of students

Harry - Group of student senators wants to sit in on our
meeting as observers

Miksic - General impression: Nothing is being done

Admin - fac should throw the ball to the Ad for group.

Birdy - Concerned fac reproach: we hadn't answered the "gut"
question

3 ph - Charges, Sheda Delang, Lesnick
